Job description

You will be part of Athos Group Family and Business Services, a fun, international and dynamic environment. Our clients are both corporate and private clients. The companies we manage are mainly Dutch, but some are also located in other jurisdictions. Besides corporate structures, we also manage and handle estate planning structures.

As legal account manager you will be handling and managing statutory legal and tax compliance for various client companies, as well as other tasks such as transactions, changes, set up and restructuring.

An important task of every member of the team is to understand the business of our clients and its full scope. Our clients appreciate a personal approach, high involvement and dedication. Furthermore, you will also be involved in client acceptance for new clients, setting up new structures and transaction monitoring.

As a firm we value own input and organization.

The Athos group stimulates own initiative and personal growth within the firm. The firm is ours and we are the firm, our personal success is the success of Athos.
